**If you received a grade of "NR", your instructor did not report grades. Please contact the instructor for assistance.**

 This is NOT an official transcript. Courses which are in progress may also be included on this transcript.

**The "PASSED HOURS" column should be ignored. It is used for calculations by the Board of Regents and is not a true indicator of passed hours. Students should view "EARNED HOURS" instead.**

**The last column ("R") indicates repeated courses. \*\*If an "E" is in the last column, the grade has been excluded as a result of the grade substitution policy. All grades received at Georgia Tech are included in GPA calculation with the exception of those removed via grade substitution. Click this [Grade Substitution](#) link to review the policy.**
